

## PATIENT FINANCIAL RESPONSIBILITY FOR ENTYVIO INFUSIONS

Northwest Gastroenterology's *Patient Care Agreement* outlines patient financial responsibilities, including responsibility for the financial costs of ENTYVIO infusion. You should have already received a copy of the *Patient Care Agreement* to review and sign. The *Patient Care Agreement* is online at [www.nwgastro.com/patient-information/financial-policy](http://www.nwgastro.com/patient-information/financial-policy). As noted in the *Patient Care Agreement*, 24-hr notice to cancel/reschedule an infusion is required to avoid a \$25 fee.

Our office will request prior authorization for ENTYVIO from your insurance company, which may take days to weeks depending on your insurance company. We will contact you when authorization has been obtained, at which point you can schedule your infusions. You are encouraged to contact your insurance company with any questions regarding your coverage.

We strongly encourage all patients receiving ENTYVIO to apply for the ENTYVIO CONNECT cost-assistance program offered through Takeda (the manufacturer of ENTYVIO). If you have insurance that covers medication costs for ENTYVIO, ENTYVIO CONNECT may provide a rebate for your out-of-pocket expenses (e.g., deductibles, co-payments, and co-insurance over \$50) up to \$10,000 every 12 months. ENTYVIO CONNECT information is available through our office or online at <https://www.entyviohcp.com/connect>. However, monitoring and maintenance of ENTYVIO CONNECT balances and expiration dates is solely your responsibility as the patient.

**Northwest Gastroenterology does NOT guarantee insurance or ENTYVIO CONNECT coverage for ENTYVIO infusion. You are personally responsible for any infusion expenses not covered by insurance or ENTYVIO CONNECT.**
